SATURDAY  
REHEARSALS

Another SMC year is nearly over, and if the past concerts are anything to go by, the best is yet to come. If you have only been to the junior concerts why not go to the senior concert as well? Get your feet tapping to the sound of the big band music as played by the Jazz Ensembles.

There will be a cake stall at the morning concert on

**Sat 29 June** and we would like you to help again with our fundraising efforts by making some more of your lovely cakes. Please bring them along on the morning.

The evening concert will have a raffle and again we would like your help - any raffle prizes you may like to donate would be very welcome. Money raised at these events provides music and support equipment for the students.

The email newsletter is an opt-in letter which provides news about events and urgent notices. Unfortunately due to computer problems some of you may not get the next letter which will be sent out this week - please reregister on the web site.

The Friends of Skipton Music Centre will hold their Annual General Meeting on **28 Sept**. All parents/guardians of students, and also mature students are automatically members of the support group. Please try to come along, we desperately need more people to come to the meetings. Without your support there is no support group.

### Tell your friends
