## NEWS

**T**he Skipton Music Centre Open Morning is our chance to show people what we do. Visitors are invited to visit the various groups and see for themselves what goes on.

**I**f you know of someone who plays an instrument, but perhaps they are not quite sure if SMC is for them, then this is the day to they can find out by joining a group for the morning. If they like SMC they can come the following week for **FREE**.

**S**kipton Music Centre is open to mature students as well as junior musicians.

**P**lease make some of your lovely cakes for the Open Morning Cake Stall, and come and buy them. Any unwanted music will also be very welcome for the Second-hand Music Stall.

**R**efreshments will be available, proceeds will go towards buying 2 violas. Students will be pleased to know we will be buying some new music stands as well.

**T**here has been an increase in cars driving into the school to drop students off and pick them up. This practice is potentially very dangerous as there are a lot of children walking about. Unless you have a heavy instrument, or have a need because of disability, cars should remain outside the main gates of the school. There are more parking spaces at the end of the car park (past the crash barriers).
